

CAMP MED

We are excited to be able to offer the Camp Med program in person/online applications. The program is designed to help students experience various aspects of the health care field, while in a medical facility. Students will develop skills such as peer relations, teamwork, stress management and leadership.

Requirements: Rising 9th grader, minimum 2.5 GPA, write a letter outlining your career goals and why you want to participate in Camp Med and complete the application.

Paper copies needed for the F2F camp are in Mrs. Stallings office. Dates for the camp are July 12th -16th or July 26-30. The app says to return to Cynthia Dixon, but students doing F2F MUST return apps to Mrs. Stallings

The online application is for persons interested in VIRTUAL camp only.
