Dear Parent:

Your participation in your child's education is important to us. Because of this, we have developed a parent and family engagement policy for our school. This policy explains how we plan to work with parents to review and improve parent programs and describes how you can participate in planning these programs. We value your involvement and urge you to take the time to read this policy.

Federal law requires us to distribute both the county and school parent and family engagement policy to parents. So please sign the form below and return it to your child's classroom teacher by September 15, 2022, so that we can be sure you received this important information.

If you have any questions, feel free to call Mountain View Elementary School at (336) 982-4200.

Yours truly,

David Blackburn, Principal
