

June Neaves
Blue Ridge Elementary School

My name is June Neaves. Everyone calls me "Mrs. June." I am honored to serve as your school counselor.

I am a native of Ashe County. My husband and I are very proud of our three beautiful daughters and love time with family/friends. I also love to read, travel, play in the New River and occasionally ride on the back of my husband's Harley.

The school counseling program is offered to all students. Services provided include Individual counseling, group counseling, classroom guidance lessons, and parent/teacher consultation. The school counselor serves as a resource to remove barriers that may interfere with learning and assist in the social, emotional well being of students.

The mission of the Ashe County Schools Elementary Counseling Program is to provide a comprehensive counseling program that celebrates individual uniqueness and multicultural diversity. The program assists all students in acquiring the skills, knowledge, and attitudes needed to become effective students, responsible citizens, productive workers, and lifelong learners of the 21st Century.
