ENGLISH TEST

02

45 Minutes-75 Questions

DIRECTIONS : In the five passages that follow, certain words and phrases are underlined and numbered. In the right-hand column, you will find alternatives for the underlined part. In most cases, you are to choose the one that best expresses the, makes the statement appropriate for standard written English, or is worded most mainternative to choose the and the and the statement appropriate for standard written English, or is worded most consistently with the style and tone of the passage

best by selecting the corresponding circle for that answer. Read each passage through once before as a whole. If you think the original version is best, answer. Read each passage through once before you begin to answer the questions that accompany it. For many of the questions, you must read several sentences beyond the question to determine the answer. Be sure that you have read far enough ahead each time you choose an alternative as a whole. If you timits the original version is best, choose "NO CHANGE." In some cases, you will find in the right-hand column a question about the underlined part. You are to choose the best answer to the question. alternative.

Take Practice Tests

In the Practice Tests tab, you can take a full-length practice test on paper or online. You can use a timer like on the real test or take it untimed to get a feel for what to expect. Retake the test as many times as you'd like and track your progress over time.
