

ARTICLE of the MONTH

<http://www.ascd.org/publications/educational-leadership/may12/vol69/num08/The-Don'ts-and-Don'ts-of-Teaching.aspx>

APP of the MONTH

Random Student

<http://bit.ly/IPFCxo>

This App allows the teacher to create class lists that will then allow the teacher to call on students randomly, record the number of times a student is called on, keep track of responses, create student groups, etc.

WEBSITE of the MONTH

www.socrative.com

Turn any device into a Student Response System for free. Socrative can be used to create a quiz, poll students, etc. on any we enabled device. A free App can turn any handheld device into a responder.

ASSESSMENTS – 4 Key Ingredients in Good Assessment

- Quality of Questioning
- Quality of Feedback
- Sharing criteria with learners
- Using peer and self-assessments

Next Meeting – February 4, 2014 at MVES, media center – 3:30

This meeting is for all Beginning Teachers and will focus on *The Differentiated Classroom*. Please watch the video and come with prior knowledge and effective strategies you have used to differentiate instruction in your classroom to share with the group.
