Dear Parent or Guardian,

In an effort to ensure that the unique needs of military-connected students are met, Session Law 2014-15 requires the North Carolina State Board of Education/North Carolina Department of Public Instruction to collect information on military-connected students. The goal is to help accommodate these students by providing them with support and consistency when their parents are deployed, when they are transitioning between schools, and at other pivotal times during their academic career. This mandatory collection started in the 2015/2016 school year. The Session Law 2014-15 that describes this requirement can be accessed at: <http://www.ncleg.net/Sessions/2013/Bills/House/PDF/H1060v3.pdf>. **To ensure compliance with Session Law 2014-15, please complete the following information.**

**Student's Full Name:** \_\_\_\_\_  
(First) (Middle) (Last)

☐ **No Military Connection**

To support our students who have family members that are currently serving or have served our country, please provide information about this student's immediate family member(s). "Immediate family member" is defined as a parent, step-parent, sibling, guardian or any other person that would normally live in the same household as the child.
