

2021 Annual Stakeholder and Transition Fair Virtual Informational Session

October 19, 2021

6:00-7:00 PM

You are invited to participate in this year's virtual Stakeholder/Transition Fair informational session.

- **A panel of educational and community professionals will host this one-hour townhall type session.**
- **You will have the opportunity to learn more about research-based practice and professional networking to enhance the unified collaboration of all stakeholders to strengthen the continuous improvement process.**
- **You will hear from many community organization panelists that will provide information about their sites and programs as they relate to the Exceptional Children and 504 population families.**

Ashe County Schools are here to help your child have the best learning experience possible. Please access the Ashe County Schools website for the link to join this session.

We look forward to seeing you there!
