

Ashe County Schools is requesting quotes for the replacement of two (2) softball dugouts located at Ashe County Middle School, 255 Northwest Lane, Warrensville, NC 28693 that were damaged during Hurricane Helene. All work must comply with FEMA public assistance procurement and construction standards including Environmental Protective Agency regulations.

Scope of Work

The Contractor shall furnish all labor, equipment, materials, permits, supervision, and services required to:

- Remove and dispose of existing damaged dugouts in compliance with environmental and safety regulations.
- Rebuild dugouts per the detailed specifications, plans, and drawings attached as Exhibit A.
- Ensure compliance with applicable building codes, ADA requirements, and FEMA hazard mitigation and resiliency standards.
- Meet any site-specific requirements outlined by the Owner or FEMA representatives.
