## IN-COUNTY PERMISSION STATEMENT

As parents and/or guardian of \_\_\_\_\_, a student at Ashe County High School, we hereby grant permission for said student to participate in all in-county field trips for the school year. A description of each field trip with details for preparations will be sent prior to each trip.

I/We understand that this trip is an optional activity and is not required for credit in any course the student is taking. I/We also understand that the student's grade in the course, which is related to this trip, will not be affected by his/her participation.

I/We further understand that there are risks involved in travel and in participating in activities related to this trip and that school officials will do everything within reason to guard the safety and welfare of each student.

I/We further agree to assume the responsibility for our child's behavior on such trips and support the action of the school officials in dealing with appropriate behavior.

## MEDICAL AUTHORIZATION

I/We do further authorize any physician or hospital to render medical care and treatment, which may be needed by the above named student without our specific permission or authorization.

Parent and/or Guardian: If there are any specific considerations that should be taken into account before rendering medical care or treatment, please attach a statement of explanation.
