- Pass out SIP
- Took nominations for chair person
 - Trey Simmons is the new Chair
- Review SIP and talked about how we would look at implementing the goals in the SIP
 - The last goal is one the team would need to really dig into to see what could be implemented.
- SMART Lunch duties
 - With whole department on duty on the same day then no one can assist those students that need help from the department can get it
 - Definitely look at this – and can change possibly second semester
