1. Discuss the mentor/mentee program – looked at the application
 - a. How do we choose the mentees?
 - b. How do we choose how we pair up the kids?
 - i. Possibility of doing some activities so they can get to know each other – pick pairings where the kids like each other.
 - ii. Use Smart Lunch to start off the activities
 - iii. 3-4 weeks into next year get the pairings started
 - c. Define the role of a mentor
 - i. They will contact SIT members about what they think a mentor should be.
 - d. Need a list of the rising 9th graders – Mike Tasso
 - e. They will compile a list of students who were recommended to be mentors
